*Getting to know your curriculum:* Both parent and student should preview the textbook together to become familiar with the resources available and learn how to access the online materials. Next, read the <u>Historian's Toolkit</u> together and discuss. Now you will both feel comfortable with the features of your new textbook and how to read and <u>make connections with</u> the information presented. This sets you up for success!

If you have questions, please call:

Mrs. Kline at (209)874-9070, ext. 232; email: tkline@hickmanschools.org

## Materials available include:

- 7<sup>th</sup> grade text: Medieval and Early Modern Times by Prentice Hall, plus workbook and online support.
- Maps specific to each region are available in the Annex
- Class Webpage: here you'll find more information, including links to videos, useful sites, and more! From the HCS website, go to Parent resources/Curriculum Assistance/History-Social Sciences/Class Pages/7<sup>th</sup> Grade
- Discovery Education an invaluable online video streaming site!
- DVDs / videos check our selection for topics relevant to your studies
- Literature / Novel units literature is a major component of world history! See what's available in the Annex or talk to Mrs. Sousa or Mrs. Kline about suggestions for primary sources and historical readings related to the civilization/time period you're studying
