

How to Get Started with the Online Account

Digital Details

Once your student has an HCS account: login here: <https://my.mheducation.com/login>

NOTE: A web search of “Study Sync” will not necessarily lead you to the correct login page. Please use the link provided above. [You can also find the link on the HCS website under Curriculum Assistance / Language Arts / Textbook Support / 6th-8th grade / StudySync / StudySync login page.](#)

Let’s get started!

FAQS:

What materials will we use?

The core StudySync materials are the consumable Student Reading/Writing Companion, the spiral-bound Teacher’s edition, and an answer key booklet that includes a modified pacing guide and assessments. There is also an online component for which every student will have an account.

What other materials are available?

Spelling and vocabulary materials, as well as most Unit Novels and their Study Guides are available at the Annex.

Do we have to do everything online?

No. The program is designed to work solely online, or with print materials only, or a combination of the two.

How do I keep track of my child’s completed work online, and work that still needs to be done?

*Parents are encouraged to log on to their child’s account frequently to check the **binder**, review and grade completed work, and/or print samples for closer review or to turn in to EC’s.*

Is it okay if we're not starting on Unit 1?

Every unit is considered "stand-alone," so units can be done in any order.

What do I do when my child completes a unit?

Contact David Arias--see his information below. You'll need to pick up the materials for the corresponding unit at the Annex. (You may want to do an end-of unit assessment before moving on.)

Who can I contact if I have questions?

Contact one of the point persons below.

- **Changing students from 1 unit to another:**

David Arias 209-874-9070 ext. 205 darias@hickmanschools.org (Changing students from 1 unit to another.)

- **Questions regarding how to use the program:**

Janna Fisher 209-874-9079 ext. 292 jfisher@hickmanschools.org

Lori Maddox 209-874-9070 ext. 243 lmaddox@hickmanschools.org
